SR 24 Capital Project Coordination

- 7 major projects within next 3 years
- Widening from 1500 ft west of Love Creek Elementary School to SR 1
- Various construction traffic impacts
- New signals

SR 24, Mulberry Knoll to SR 1 (Contract No. T200411209)

Estimated Construction Start

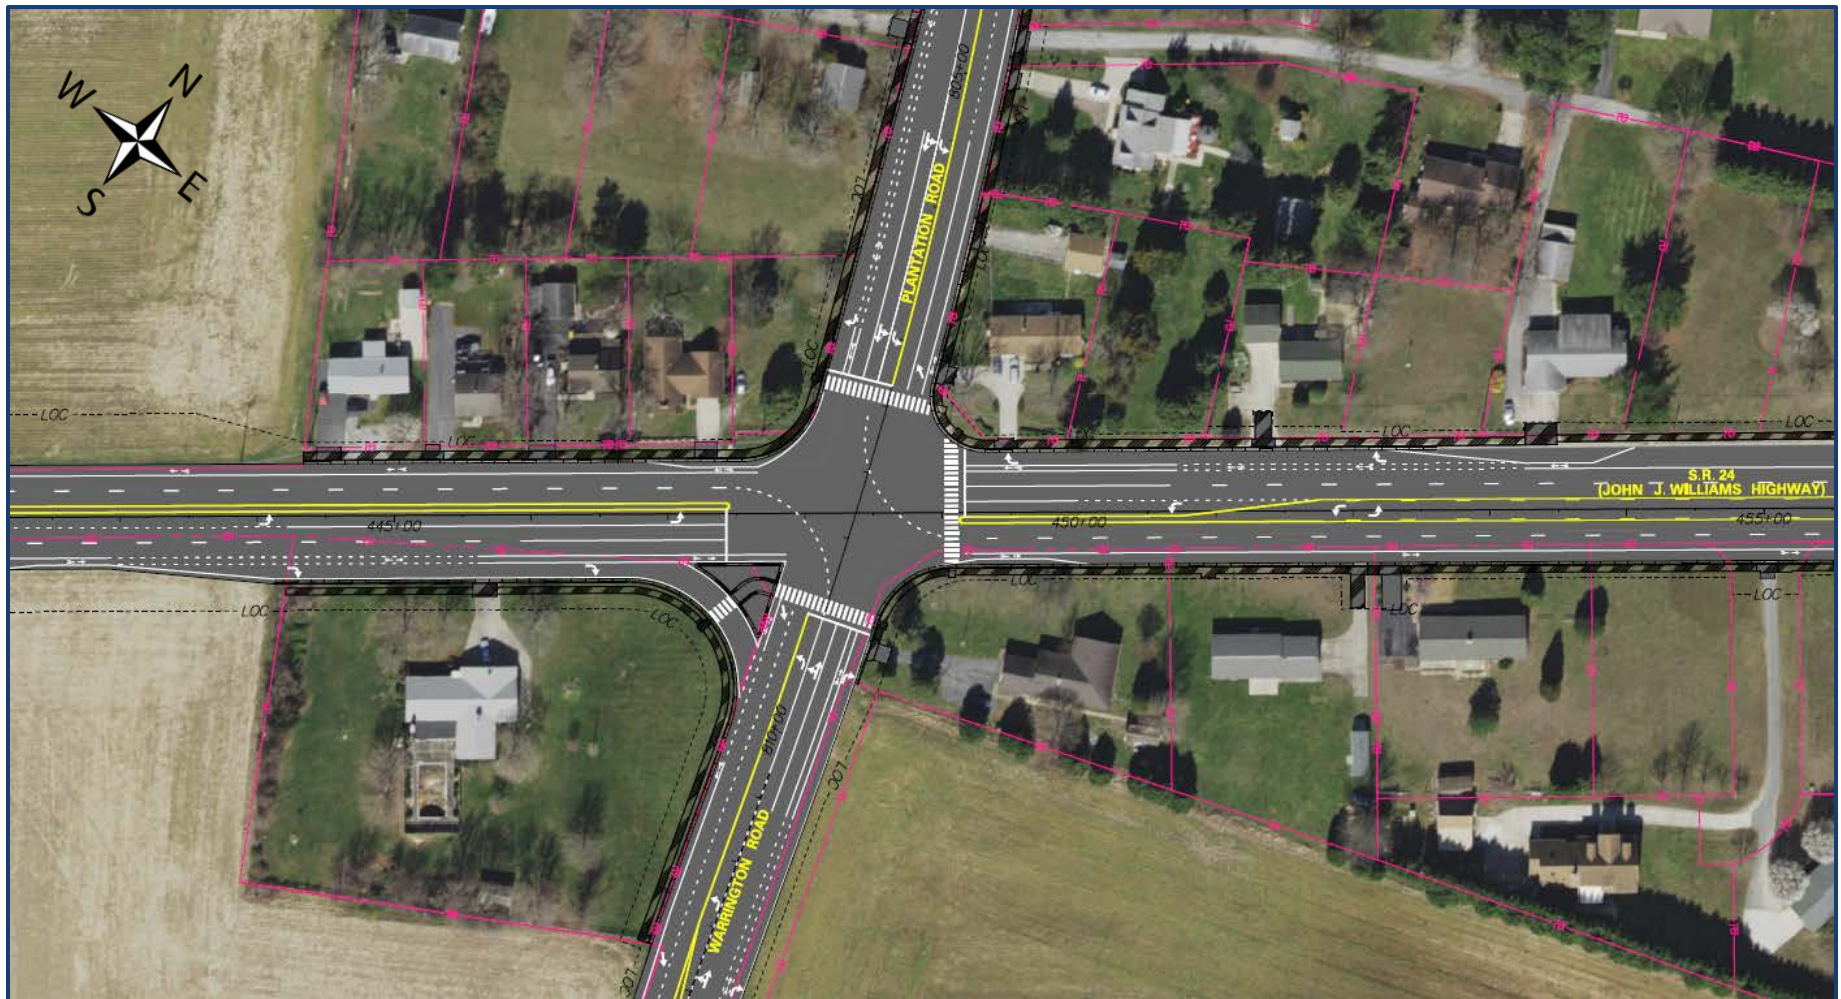

Under Construction

Estimated Construction Completion

Early 2022

SR 24, Mulberry Knoll to SR 1 (Contract No. T200411209)

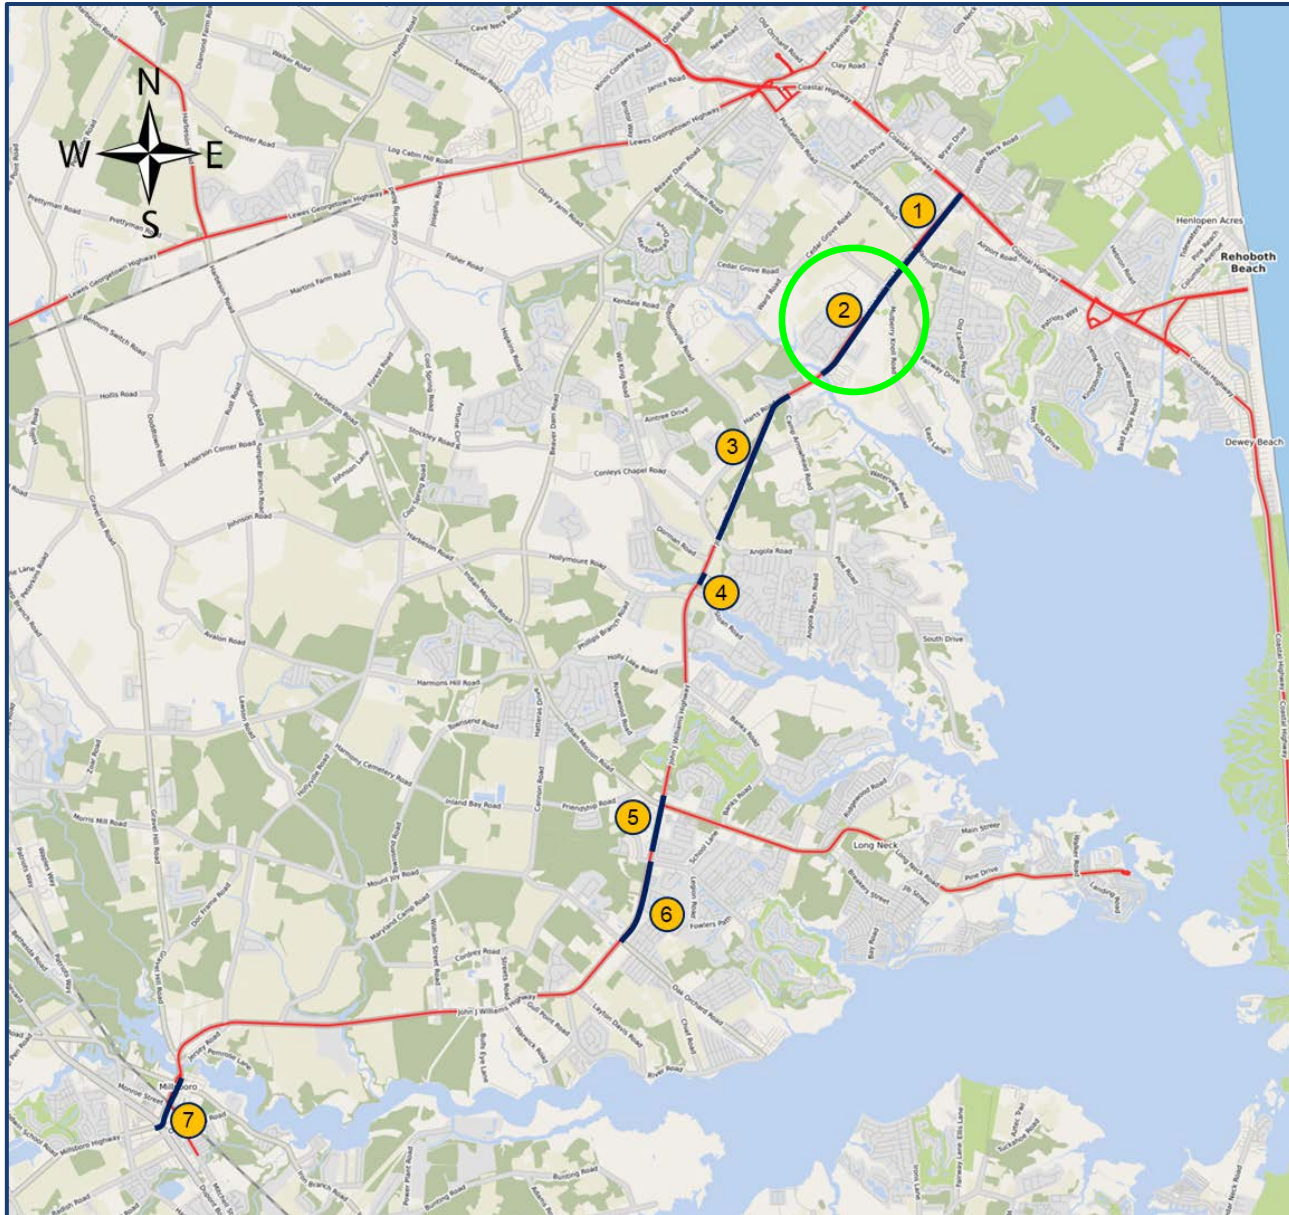

SR 24 at Plantation Road / Warrington Road

SR 24, Mulberry Knoll to SR 1 (Contract No. T200411209)

- Safety and operational improvements are currently being constructed throughout the limits of the project
 - Two through lanes in each direction
 - Center left-turn lane
 - Right-turn lanes at intersections
 - Side-street upgrades at key intersections
- Multi-modal improvements will be made throughout the project limits as well as traffic signal upgrades
- Construction traffic impacts:
 - Two through lanes maintained
 - Closures of turn lanes

SR 24, Love Creek to Mulberry Knoll (Contract No. T201212201)

Estimated Construction Start

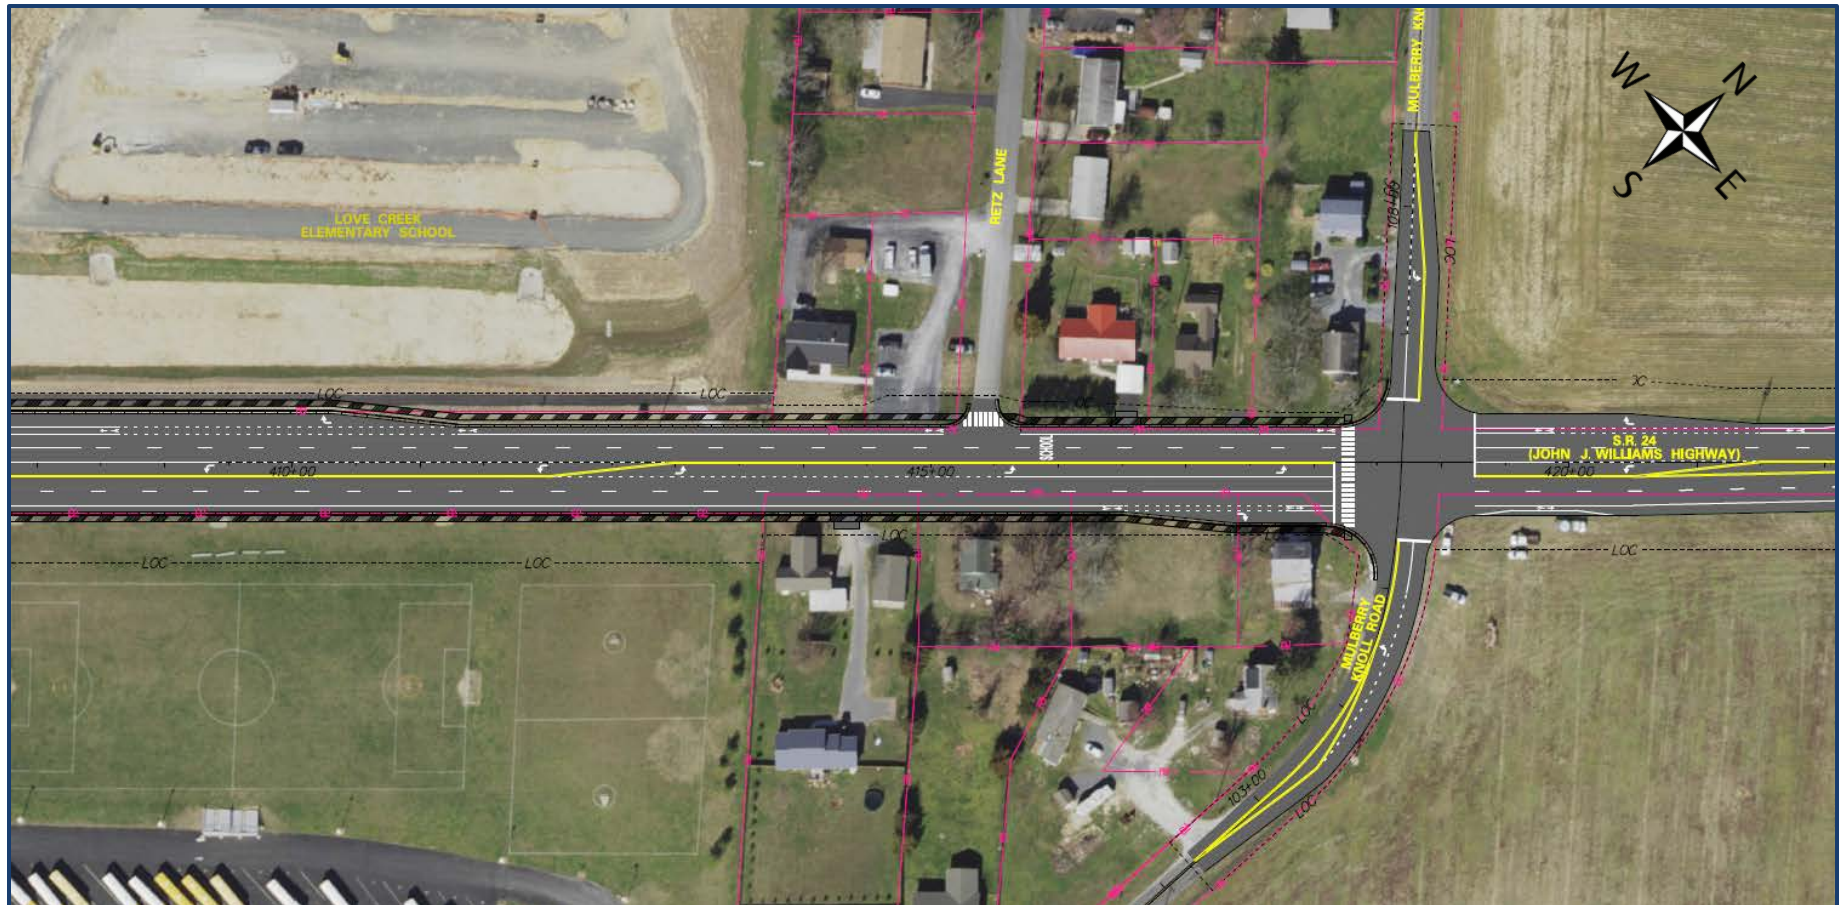

Spring 2022

Estimated Construction Completion

Fall 2023

SR 24, Love Creek to Mulberry Knoll (Contract No. T201212201)

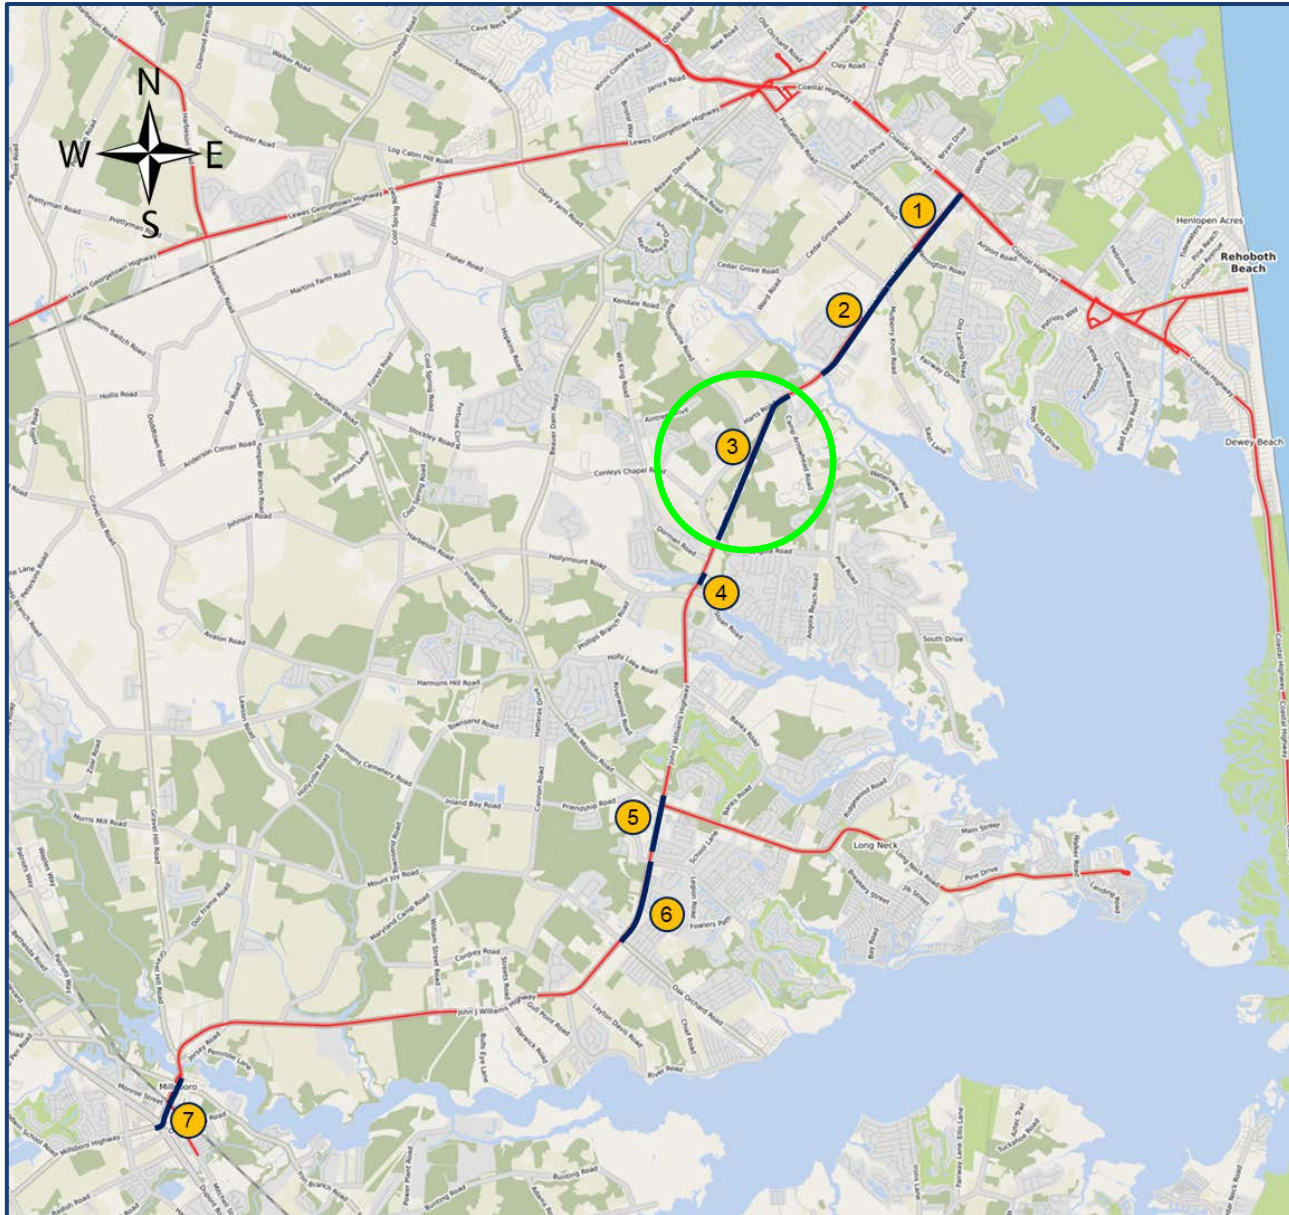

SR 24 at Mulberry Knoll Road

SR 24, Love Creek to Mulberry Knoll (Contract No. T201212201)

- SR 24 will be widened to include two lanes in each direction from 1500' west of Love Creek Elementary to connect with ongoing improvements east of Mulberry Knoll
- New signal installed at SR 24 and Mulberry Knoll Road
- New bus stops, bike lanes, sidewalks, and pedestrian crossings at both the Love Creek Elementary and Mulberry Knoll intersections
- Construction traffic impacts:
 - Two through lanes maintained
 - Closures of turn lanes

SR 24 at Camp Arrowhead Road & Angola Road (Contract No. T201200902)

Estimated Construction Start

Summer 2021

Estimated Construction Completion

Spring 2023

3A

SR 24 at Camp Arrowhead Road (Contract No. T201200902)

PROPOSED
HSIP SC, SR24 AT CAMP ARROWHEAD AND
SR24 AT ROBINSONVILLE RD/
ANGOLA INTERSECTION
T201200902

This image is a conceptual display for discussion purposes only. While all reasonable efforts have been taken to ensure accuracy in the overall appearance, it is a designer's composite rendering and may not be precise in its engineering or landscaping details. The scale may not be accurate, and colors may vary depending on production device used.

Digital Compositing by Jeffrey S. Miller 4/5/2018

SR 24 at Camp Arrowhead Road (Contract No. T201200902)

- Camp Arrowhead Road will be widened to include 11' travel lanes and 5' shoulders
- Right- and left-turn lanes will be extended / added on all approaches
- Bike lanes will be added on SR 24 and Camp Arrowhead Road
- New sidewalk and pedestrian crossings
- Construction traffic impacts:
 - SR 24 lane closures for cross-road pipes and along Harts Road
 - Detours for Camp Arrowhead Road and Fairfield Road

3B

SR 24 at Angola Road (Contract No. T201200902)

PROPOSED
HSIP SC, SR24 AT CAMP ARROWHEAD AND
SR24 AT ROBINSONVILLE RD/
ANGOLA INTERSECTION
T201200902

This image is a conceptual display for discussion purposes only. While all reasonable efforts have been taken to ensure accuracy in the overall appearance, it is a designer's composite rendering and may not be precise in its engineering or landscaping details. The scale may not be accurate, and colors may vary depending on production device used.

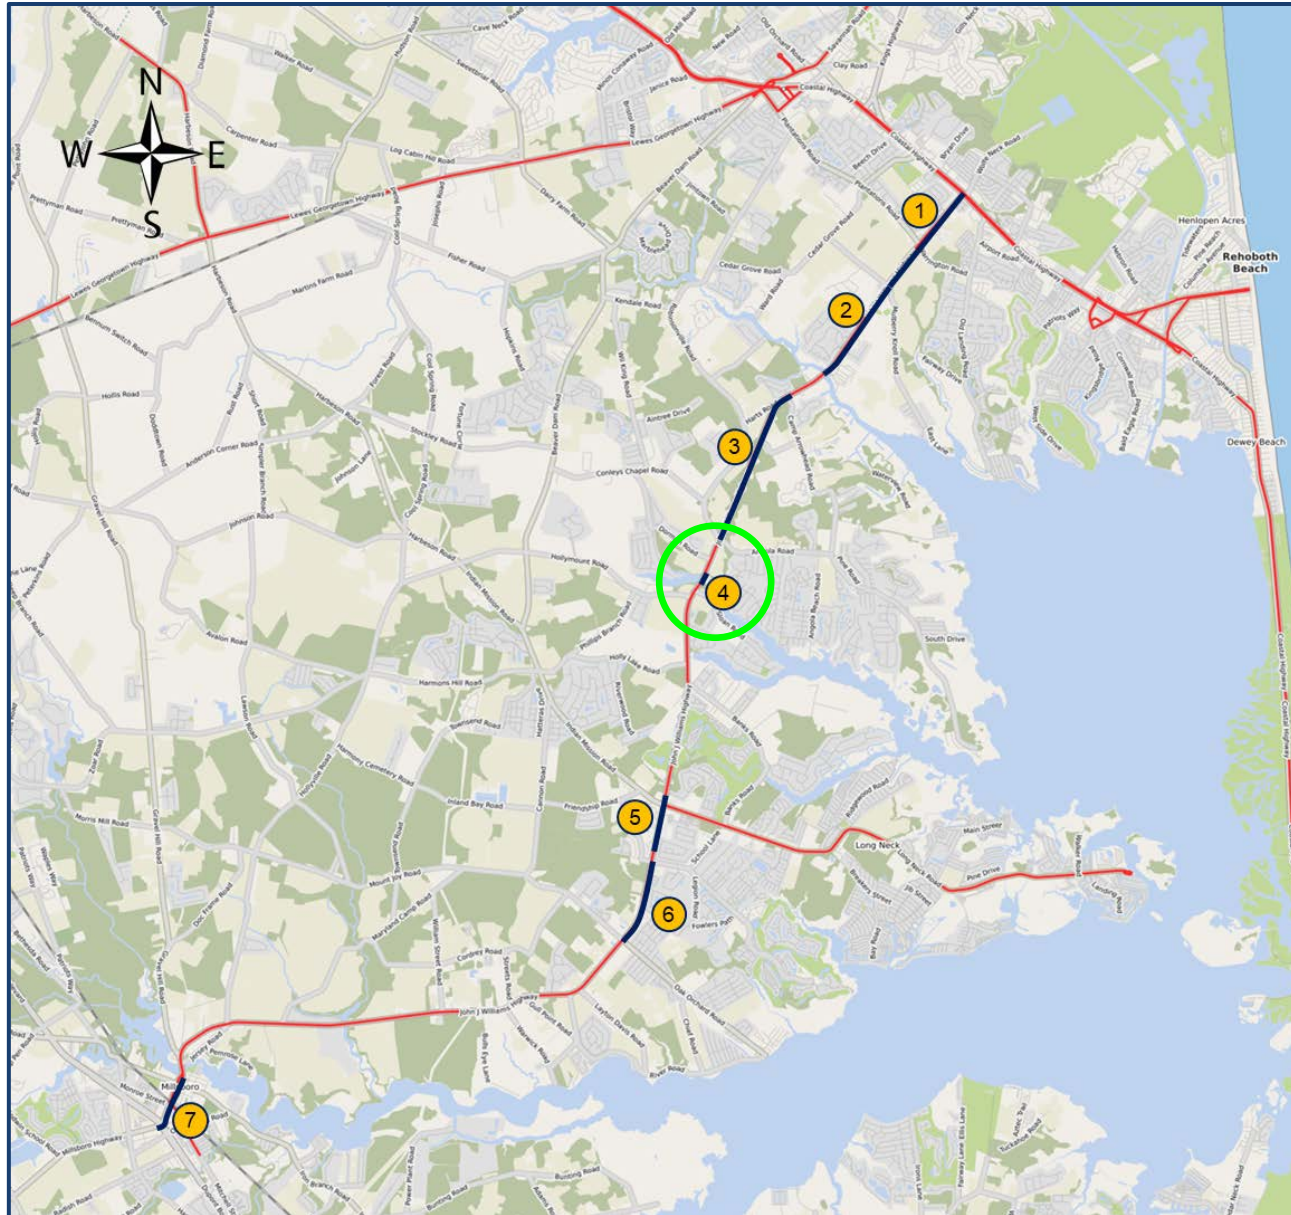

Digital Compositing by Jeffrey S. Miller 4/5/2018

SR 24 at Angola Road (Contract No. T201200902)

- Angola Road and Robinsonville Road will be widened to include 11' travel lanes and 5' shoulders
- Robinsonville Road will be re-aligned to improve sight distance for drivers turning onto SR 24
- Right- and left-turn lanes will be extended/ added on all approaches
- Bike lanes will be added on SR 24, Angola Road and Robinsonville Road
- Construction traffic impacts:
 - SR 24 lane closures for cross-road pipes
 - Detours for Robinsonville Road and Angola Road

Burtons Pond Dam Improvements (Contract No. T201807302)

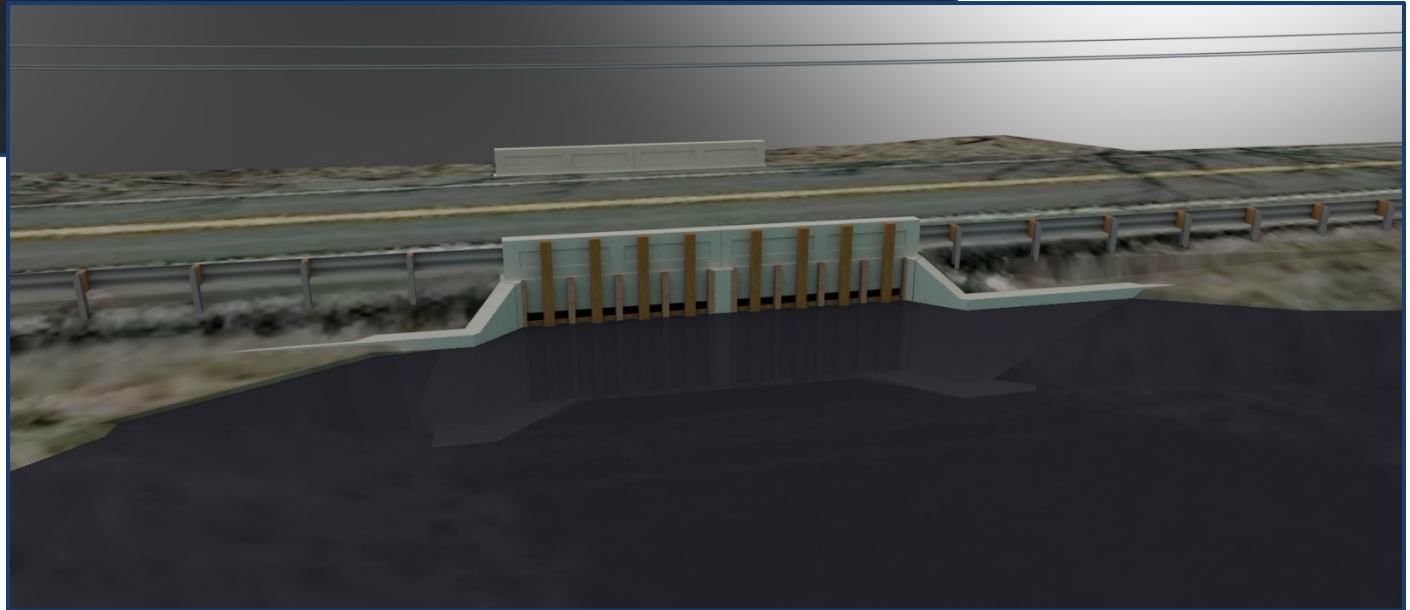

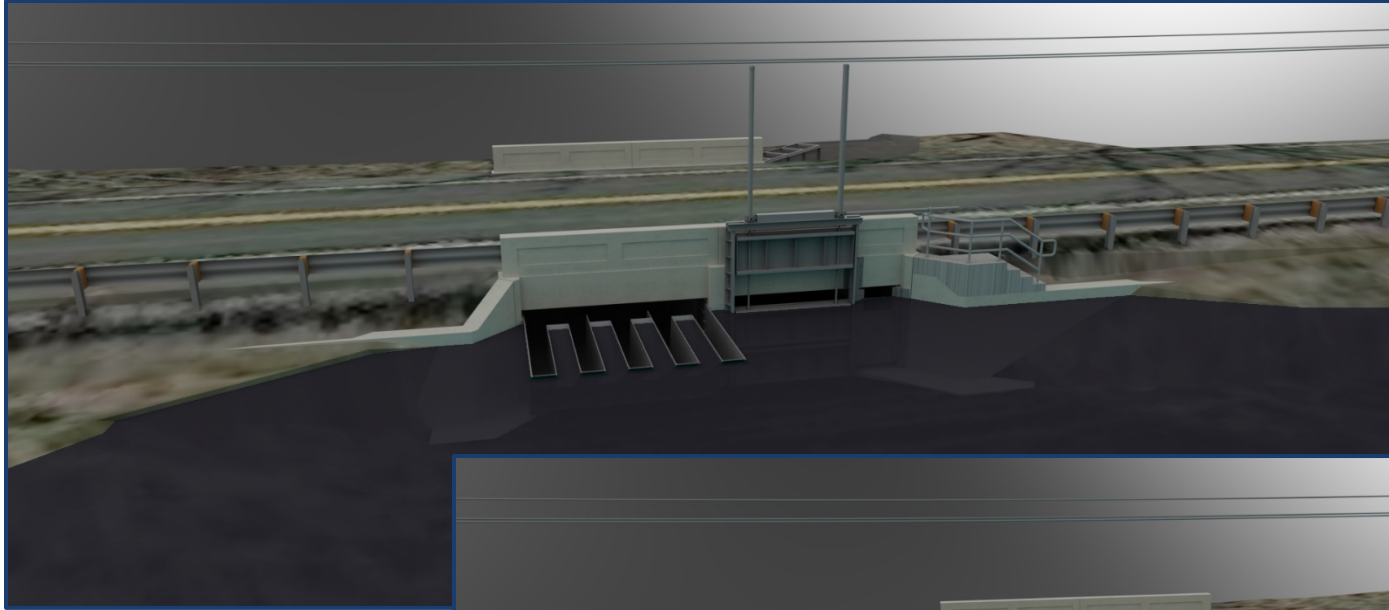

Estimated Construction Start

Fall 2022

Estimated Construction Completion

Summer 2023

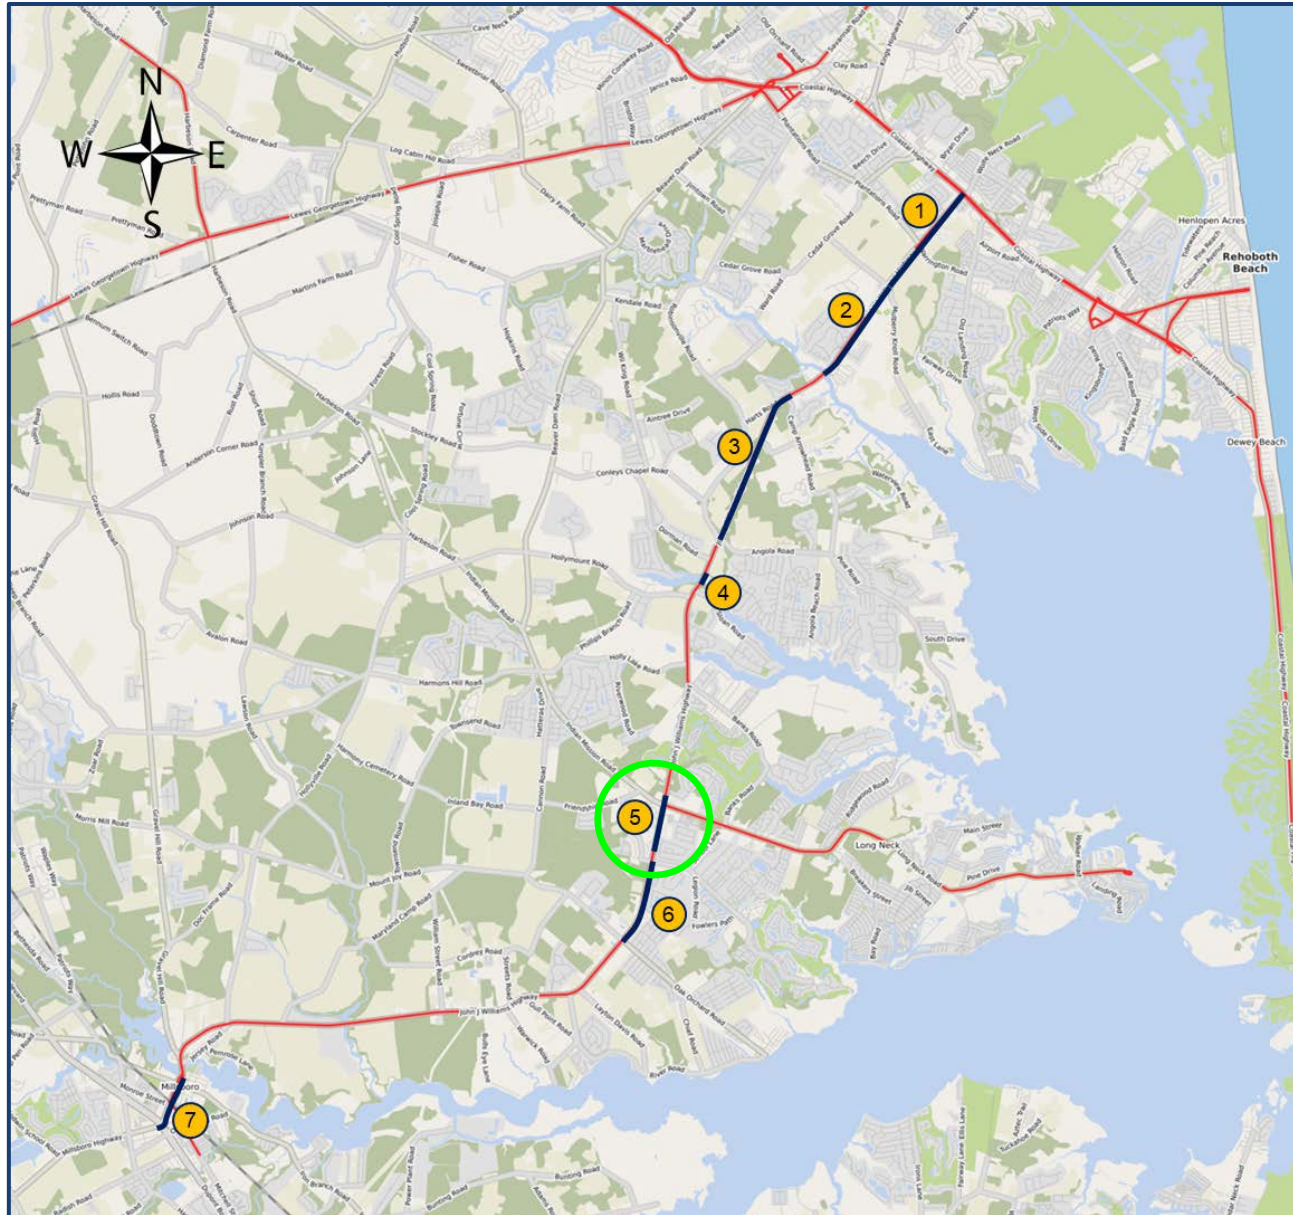

Burtons Pond Dam Improvements (Contract No. T201807302)

Burtons Pond Dam Improvements (Contract No. T201807302)

- Replace and enlarge the spillway, add a low level outlet structure, and do structural repairs to the two-cell culvert as needed
 - The current dam spillway has insufficient size
 - The stop log guides are deteriorated and the stop logs can no longer be pulled to adjust the elevation in the pond
- Construction traffic impacts: SR 24 lane shifts and intermittent lane closures

SR 24 at SR 5/SR 23/Long Neck Road (Contract No. T201200903)

Estimated Construction Start

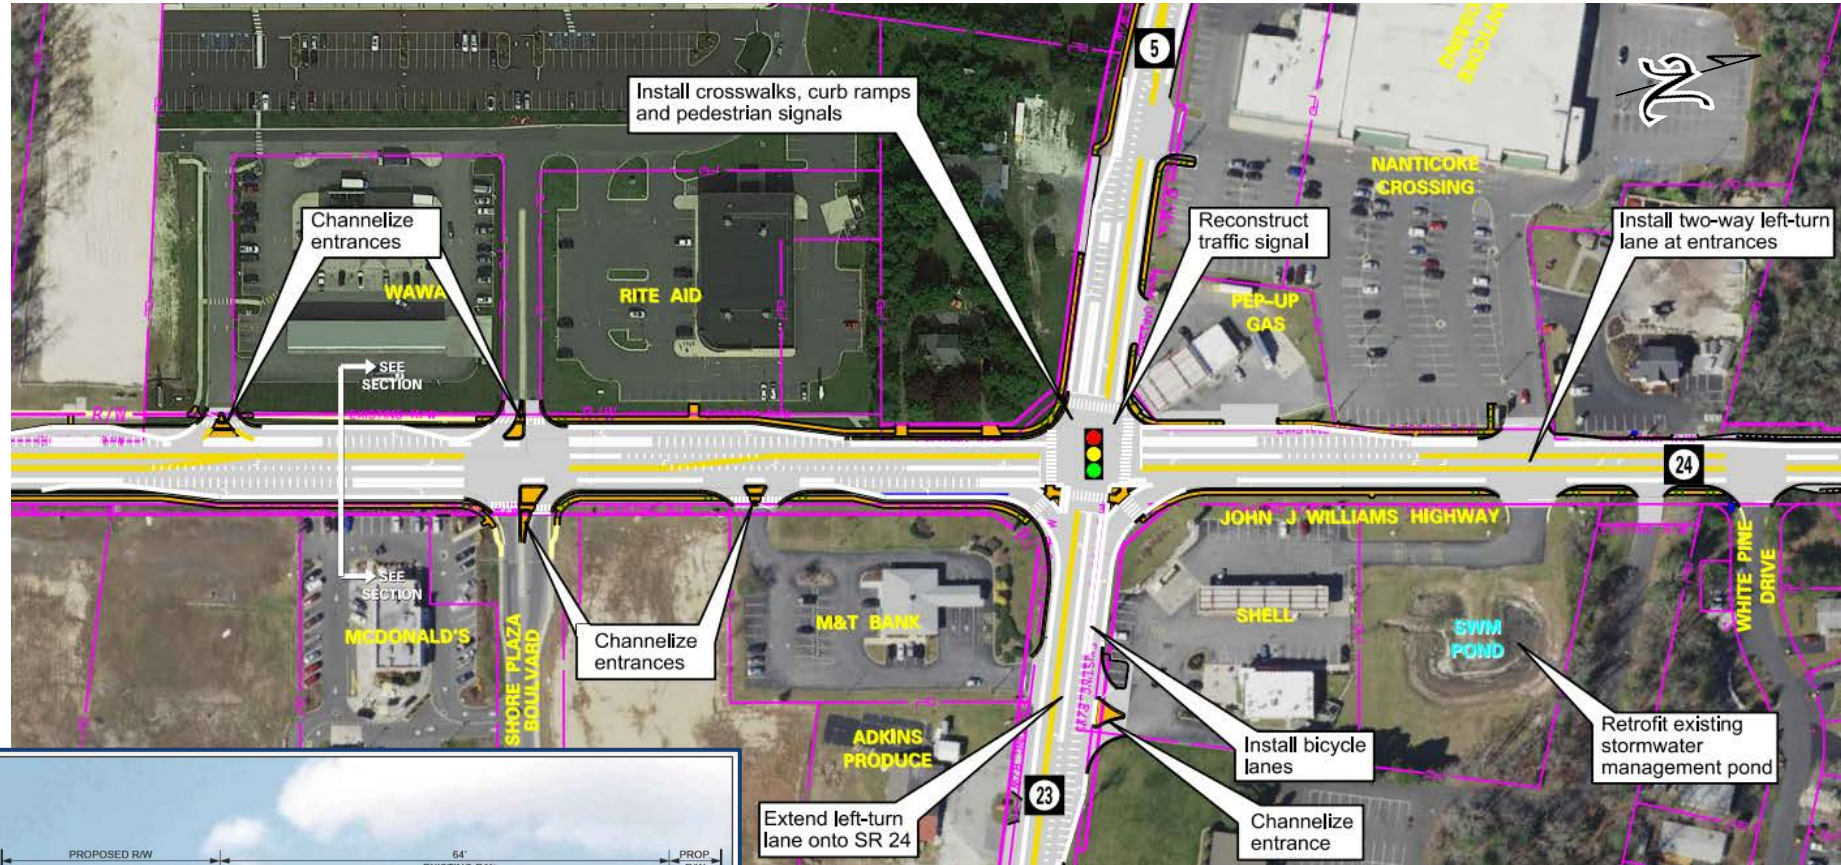

Spring 2021

(advanced utility relocations and signal work occurring prior)

Estimated Construction Completion

Fall 2022

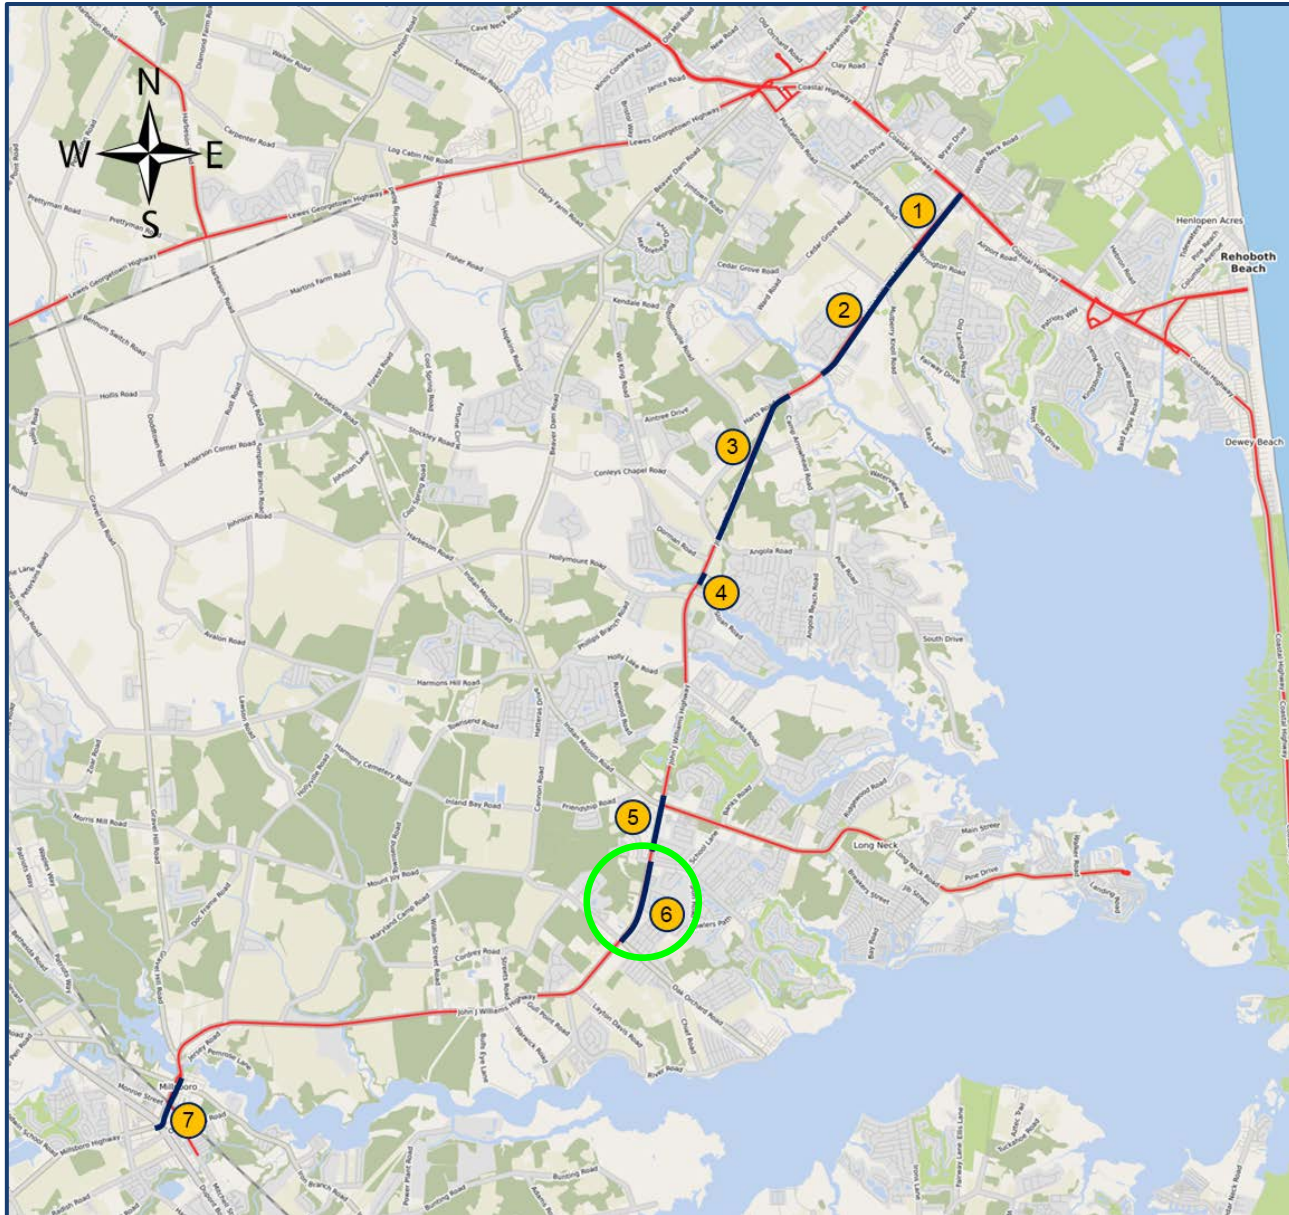

SR 24 at SR 5/SR 23/Long Neck Road (Contract No. T201200903)

SR 24 at SR 5/SR 23/Long Neck Road (Contract No. T201200903)

- Project improvements include:
 - Implement access management strategies by constructing channelized islands at several entrances within the project limits
 - Bike lanes, bus stops, sidewalks, and pedestrian connections as well as traffic signal upgrades
 - Provide consistent lanes, shoulders, and curbs along SR 24
 - Extend left-turn lanes
 - Drainage improvements
- Construction traffic impacts:
 - Phasing will mostly consist of temporary lane shifts
 - Most lane closures will occur at night

SR 24 at Mount Joy Road & Bay Farm Road (Contract No. T200711201)

Estimated Construction Start

Summer 2021

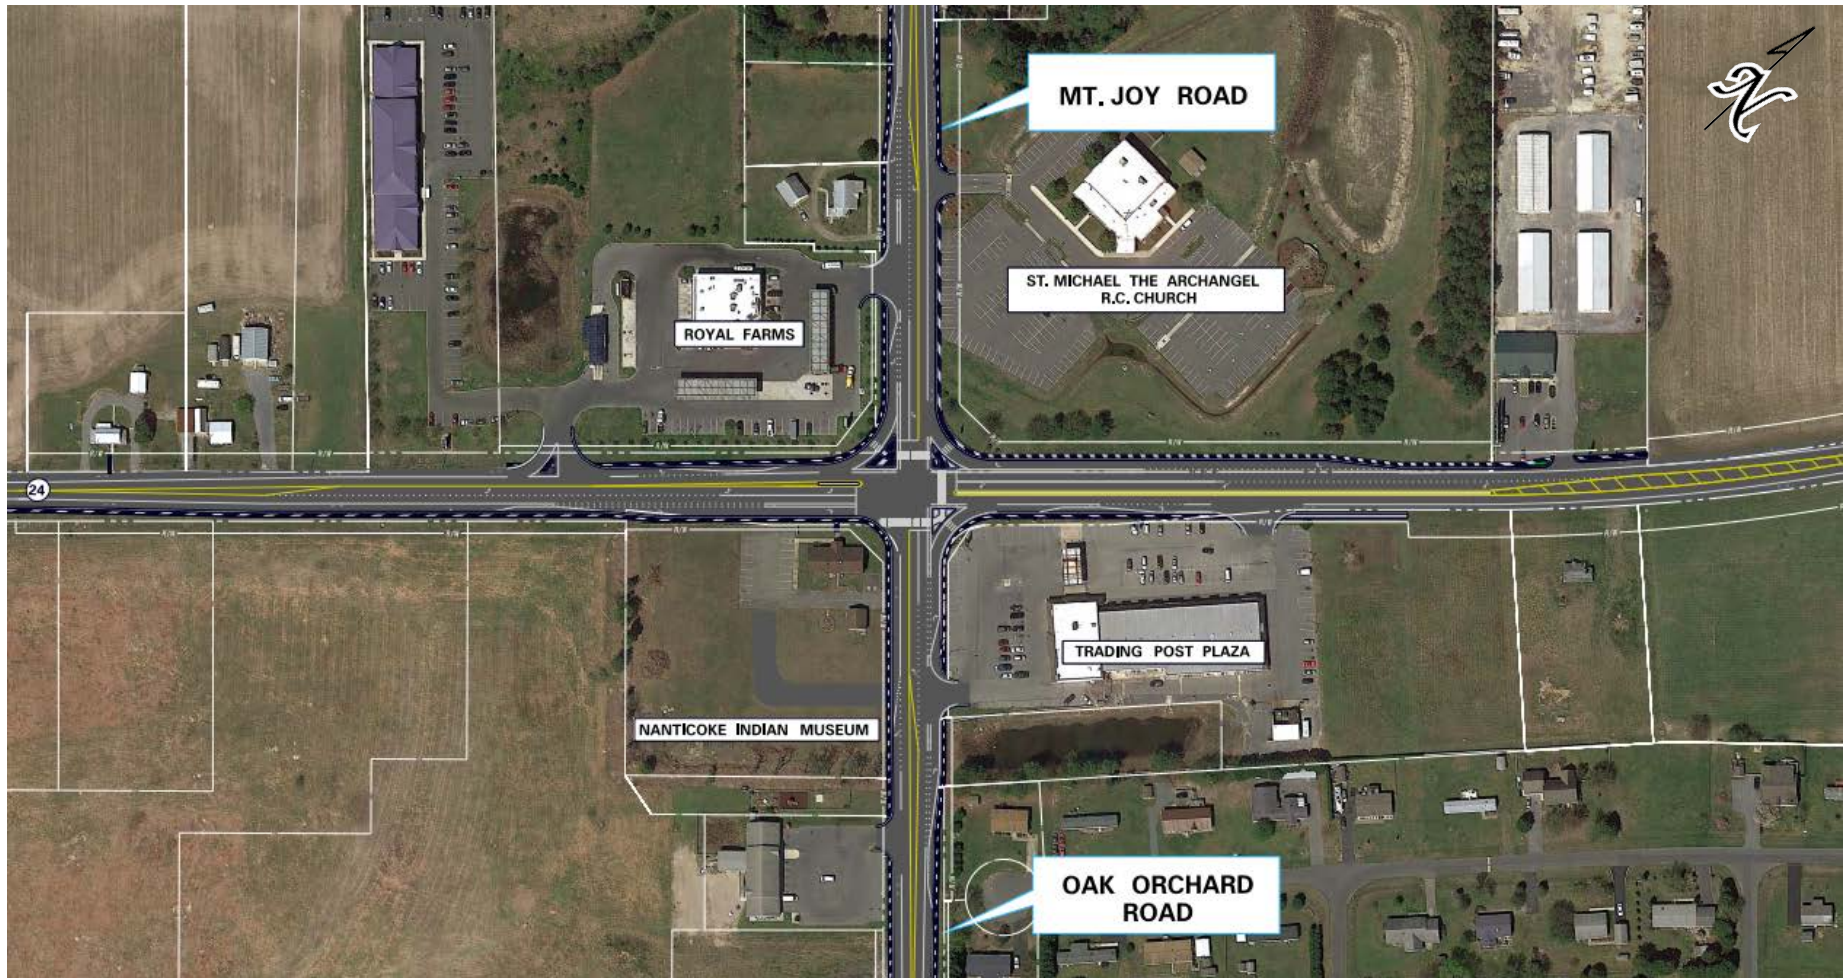

(advance utility relocations ongoing; ROW acquisition complete)

Estimated Construction Completion

Fall 2022

6A

SR 24 at Mount Joy Road (Contract No. T200711201)

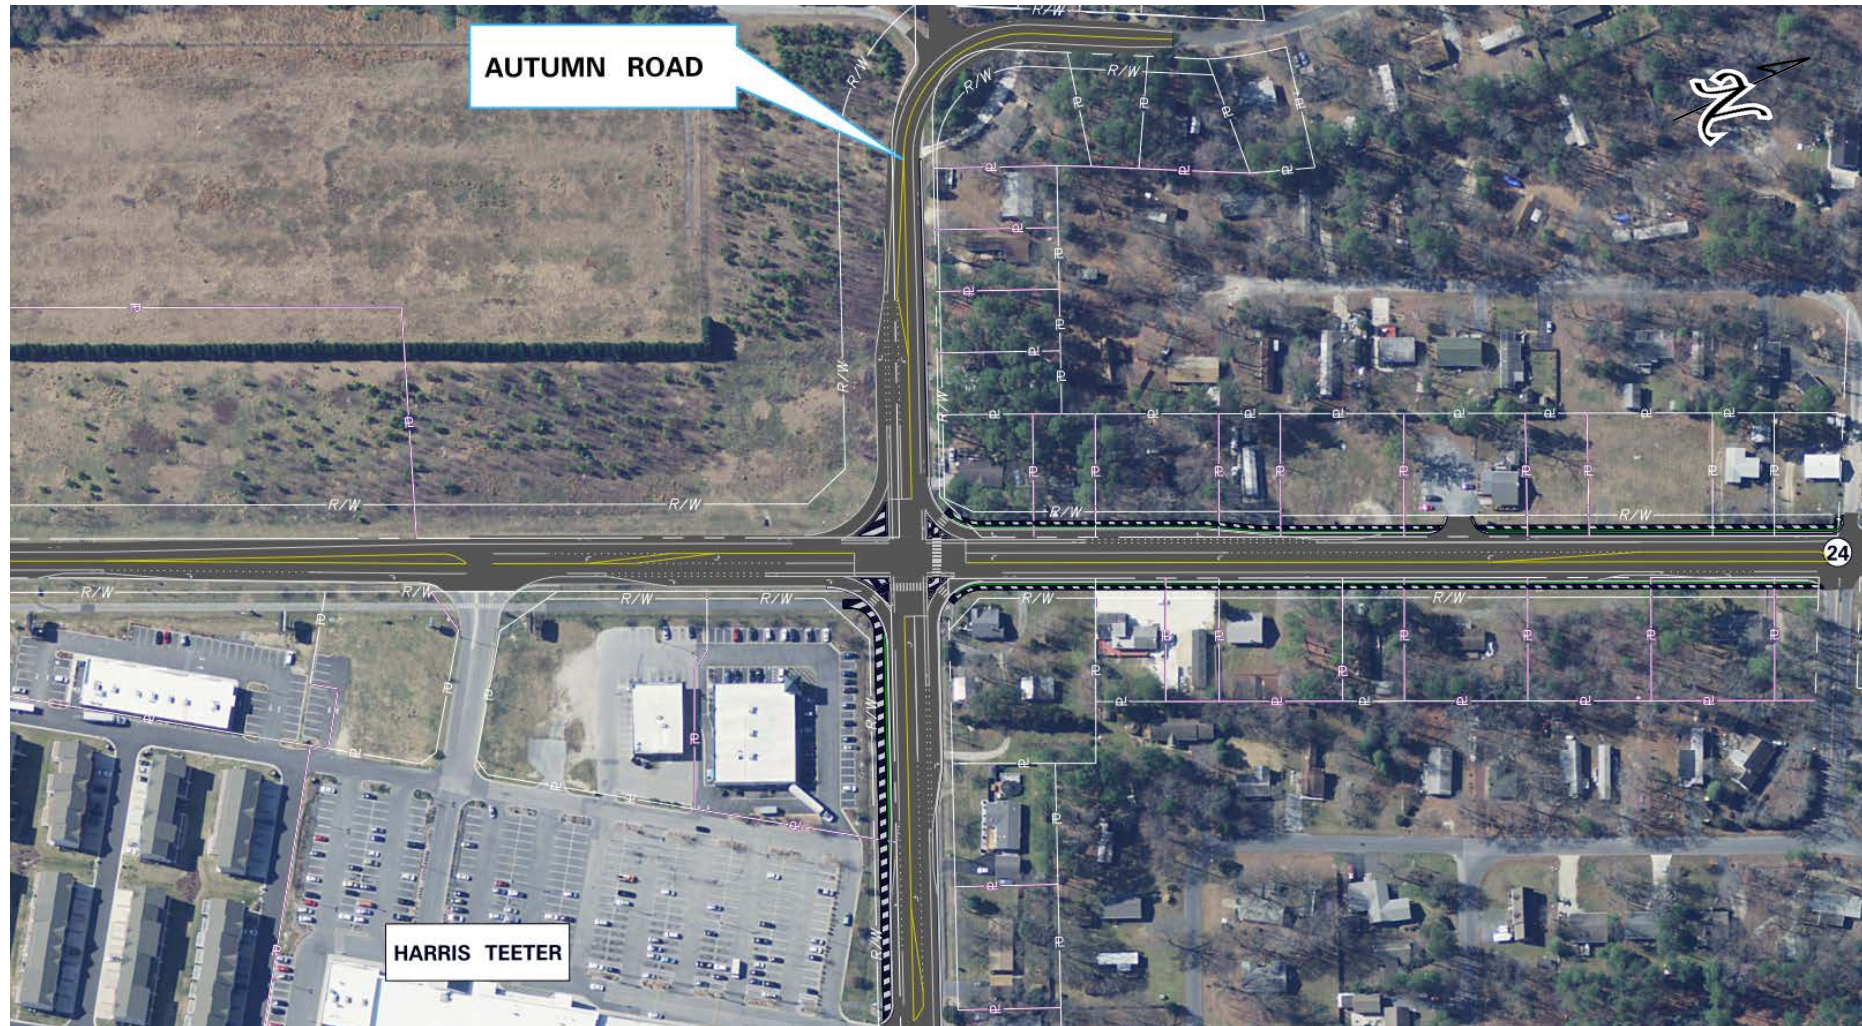

SR 24 at Mount Joy Road (Contract No. T200711201)

- Project improvements include:
 - Right- and left-turn lanes will be extended / added
 - Bike lanes, bus stops, sidewalks, and pedestrian connections as well as traffic signal upgrades
 - Drainage improvements
 - Construct a channelized island at the Royal Farms entrance along SR 24 to mitigate safety concerns
- Construction traffic impacts:
 - Potential for other detours during the closure of existing turn lanes
 - Most lane closures will occur at night

6B

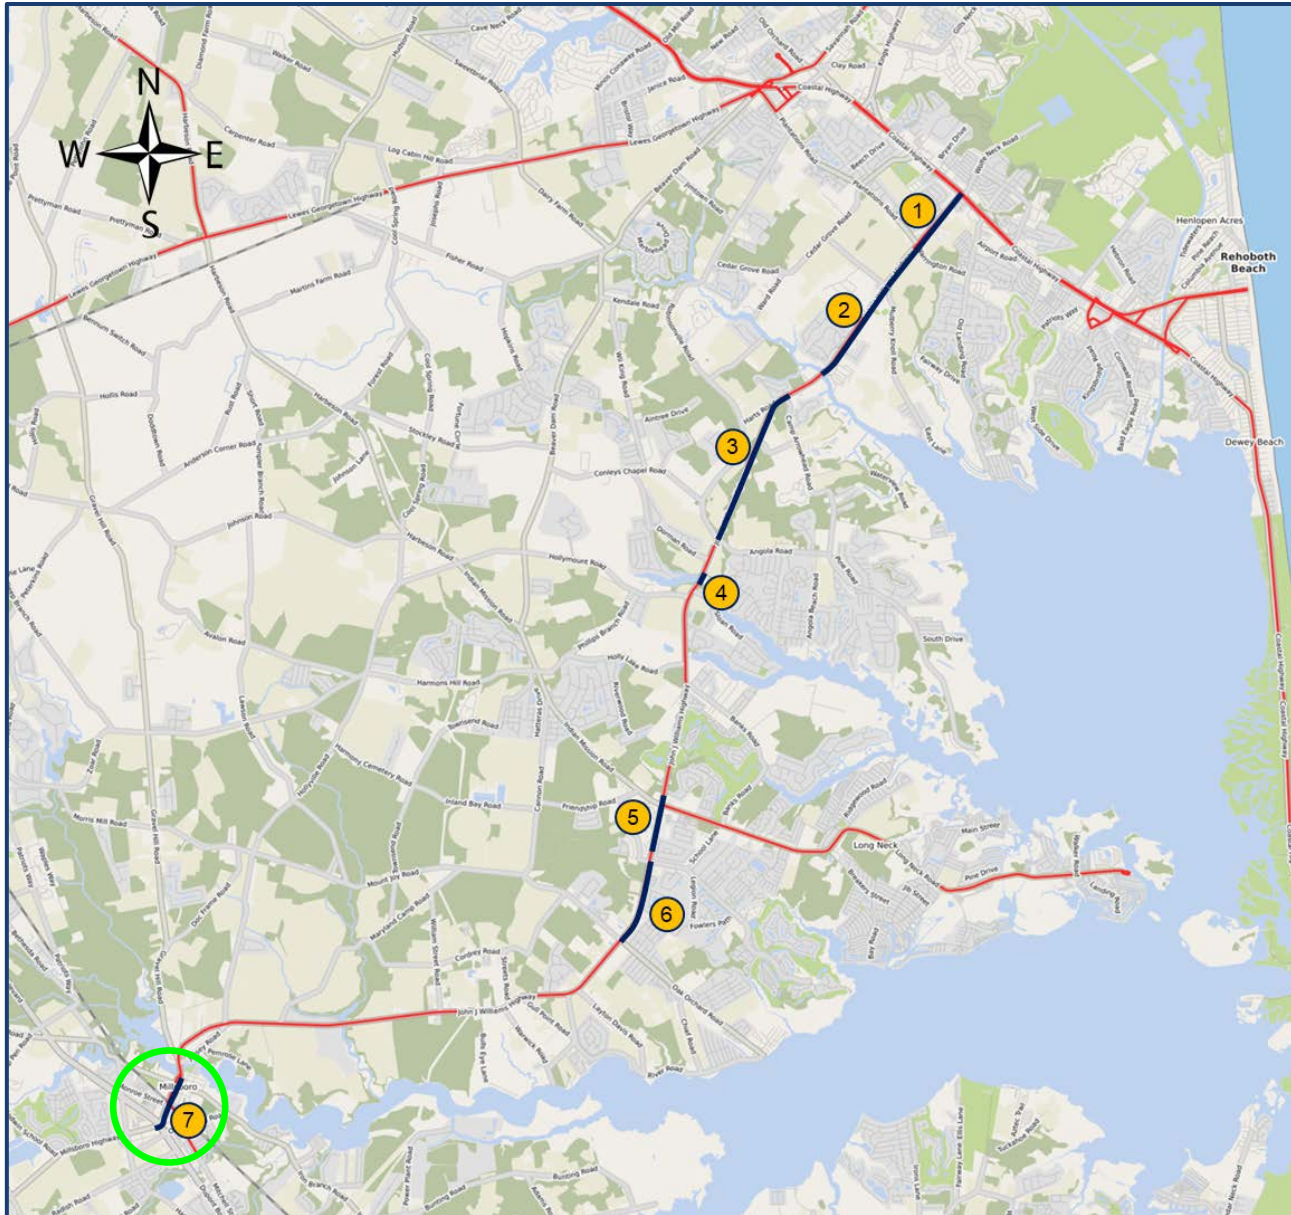

SR 24 at Bay Farm Road (Contract No. T200711201)

SR 24 at Bay Farm Road (Contract No. T200711201)

- Project improvements include:
 - Right- and left-turn lanes will be extended / added
 - Bike lanes, bus stops, sidewalks, and pedestrian connections as well as traffic signal upgrades
 - Drainage improvements
- Construction traffic impacts:
 - Detour for Autumn Road construction will be implemented
 - Potential for other detours during the closure of existing turn lanes
 - Most lane closures will occur at night

SR 24 Pave & Rehab, Millsboro (Contract No. T201906304)

Estimated Construction Start

Fall 2021

Estimated Construction Completion

Spring 2022

SR 24 Pave & Rehab, Millsboro (Contract No. T201906304)

- Extends WB left-turn lane on SR 24 approaching US 113
- Improvements at State Street intersections
- On-street parking maintained on both sides of Main St and Washington St through downtown area
